"23-1-105. Fees and charges. (1) The department may levy and collect reasonable fees or other charges for the use of privileges and conveniences that may be provided and to grant concessions that it considers advisable, except as provided in subsections (2) and (6). All money derived from the activities of the department, except as provided in subsection (5), must be deposited in the state treasury in a state special revenue fund to the credit of the department.

(2) Overnight camping fees established by the department under subsection (1) must be discounted 50% for a campsite rented by a person who is a resident of Montana, as defined in 87-2-102, and either 62 years of age or older or certified as disabled in accordance with rules adopted by the department.

(3) For a violation of any fee collection rule involving a vehicle, the registered owner of the vehicle at the time of the violation is personally responsible if an adult is not in the vehicle at the time the violation is discovered by an authorized officer. A defense that the vehicle was driven into the fee area by another person is not allowable unless it is shown that at that time, the vehicle was being used without the consent of the registered owner.

(4) Money received from the collection of fees and charges is subject to the deposit requirements of 17-6-105(6) unless the department has submitted and received approval for a modified deposit schedule pursuant to 17-6-105(8).

(5) There is a fund of the enterprise fund type, as defined in 17-2-102(2)(a), for the purpose of managing state park visitor services revenue. The fund is to be used by the department to serve the recreating public by providing for the obtaining of

inventory through purchase, production, or donation and for the sale of educational, commemorative, and interpretive merchandise and other related goods and services at department sites and facilities. The fund consists of money from the sale of educational, commemorative, and interpretive merchandise and other related goods and services and from donations. Gross revenue from the sale of educational, commemorative, and interpretive merchandise and other related goods and services must be deposited in the fund. All interest and earnings on money deposited in the fund must be credited to the fund for use as provided in this subsection.

(6) In recognition of the fact that individuals support state parks through the payment of certain motor vehicle registration fees, persons who pay the fee provided for in 61-3-321~~(18)~~~~(a)~~(19)(a) may not be required to pay a day-use fee for access to state parks. Other fees for the use of state parks and fishing access sites, such as overnight camping fees, are still chargeable and may be collected by the department."

(2) Except as provided in subsection (4), a person may renew a motor vehicle's registration by submitting full payment for the fees or taxes required under 61-3-303 and

61-3-321~~(12)~~(13) to the department, an authorized agent, or a county treasurer in any county of this state.

(3) The department, an authorized agent, or a county treasurer may use the online motor vehicle liability insurance

verification system provided in 61-6-157 to verify proof of compliance with 61-6-301.

(6) The owner of a motor vehicle subject to registration renewal under the provisions of this section is considered to have renewed the motor vehicle's registration in a timely manner if the owner submits full payment for the required fees or taxes, as prescribed in the mail renewal notice from the department, to the department, an authorized agent, or a county treasurer on or before the last day of the month of the motor vehicle's registration period and if, beginning July 1, 2011, the department, authorized agent, or county treasurer determines the owner is in compliance with 61-6-301 using the verification system provided in 61-6-157.

(7) The department, an authorized agent, or a county treasurer may not renew the registration of a motor vehicle for which ownership has been transferred and that was originally registered without being titled under the provisions of 61-3-303(3)(b) unless:

(a) the previously issued certificate of title has been surrendered to the department, an authorized agent, or the county treasurer and the process for issuing a certificate of title has been completed; or

(b) the person to whom ownership of the motor vehicle has been transferred presents an affidavit and bond in support of the application for a certificate of title as permitted in 61-3-208."

All registration fees imposed under this section must be paid if the vehicle to which the plates are transferred is not currently registered.

(b) Until January 1, 2015, an additional fee of \$15 must be collected if a vehicle owner elects to keep the same license plate number from license plates issued on or after January 1, 2006, but before January 1, 2010, when replacement of those plates is required under 61-3-332(3).

"61-3-332. Standard license plates. (1) In addition to special license plates, collegiate license plates, generic specialty license plates, and fleet license plates authorized under this chapter, a separate series of standard license plates must be issued for motor vehicles, quadricycles, travel trailers, trailers, semitrailers, and pole trailers registered in this state or offered for sale by a vehicle dealer licensed in this state. Standard license plates issued to licensed vehicle dealers must be readily distinguishable from license plates issued to vehicles owned by other persons.

(2) (a) Except as provided in 61-3-479 and subsections (2)(b), (3)(b), and (3)(c) of this section, all standard license plates for motor vehicles, trailers, semitrailers, or pole trailers must bear a distinctive marking, as determined by the department, and be furnished by the department. In years when standard license plates are not reissued for a vehicle, the department shall provide a registration decal that must be affixed to the rear license plate of the vehicle.

(b) For light vehicles that are permanently registered as provided in 61-3-562 and motor vehicles described in 61-3-303(9) that are permanently registered, the department shall provide a distinctive registration decal indicating that the motor vehicle is permanently registered. The registration decal must be affixed to the rear license plate of the permanently registered motor vehicle.

(c) For a travel trailer, motorcycle, quadricycle, trailer, semitrailer, or pole trailer that is permanently registered as provided in 61-3-313(2), the department may use the word or an abbreviation for the word "permanent" on the plate in lieu of issuing a registration decal for the plate.

(3) (a) (i) Beginning January 1, 2010, and every 5 years after that date, the department shall design standard license plates to replace previously issued standard license plates. For the purposes of this subsection (3), all military, veteran, and amateur radio license plates and any license plate with a wheelchair design, excluding collegiate or generic specialty plates with a wheelchair design, are treated as standard license plates.

(ii) License plates issued on or after January 1, 2010, must be replaced with the most recent design of standard license plates or a new replacement collegiate or generic speciality license plate if, upon renewal of registration under 61-3-332, the license plates are 5 or more years old or will become older than 5 years during the registration period.

(iii) License plates issued on or before January 1, 2010, must be replaced with the most recent design of standard license plates or a new replacement collegiate or generic specialty license plate in accordance with the implementation schedule adopted by the department under 61-3-315. Until January 1, 2015, and upon payment of the fee required in ~~61-3-321(12)(b)~~ 61-3-321(13)(b), a vehicle owner may elect to keep the same license plate number from license plates issued on or after January 1, 2006, but before January 1, 2010, when replacement of those plates is required under this subsection.

(b) A motor vehicle that is registered for a 13-month to a 24-month period, as provided in 61-3-311, may display the license plate and plate design in effect at the time of registration for the entire registration period.

(c) A light vehicle described in subsection (2)(b) or a motor home that is permanently registered may display the license plate and plate design in effect at the time of registration for the entire period that the light vehicle or motor home is permanently registered.

(d) The provisions of this subsection (3) do not apply to a travel trailer, motorcycle, quadricycle, trailer, semitrailer, or pole trailer.

(e) The requirements of this subsection (3) apply to collegiate license plates authorized under 61-3-461 through 61-3-468, generic specialty license plates authorized under 61-3-472 through 61-3-481, commemorative centennial license plates authorized under 61-3-448, and special military or veteran license plates authorized under 61-3-458.

(4) For trailers and motor vehicles, other than motorcycles and quadricycles, plates must be of metal 6 inches wide and 12 inches in length. Except for generic specialty license plates, the outline of the state of Montana must be used as a distinctive border on all license plates, and the word "Montana" must be placed on each license plate. All license plates must be treated with a reflectorized background material according to specifications prescribed by the department.

(5) The distinctive registration numbers for standard license plates must begin with a number one or with a letter-number combination, such as "A 1" or "AA 1", or any other similar combination of letters and numbers. Except for special license plates, collegiate license plates, generic specialty license plates, and fleet license plates, the distinctive registration number or letter-number combination assigned to the motor vehicle must appear on the plate preceded by the number of the county and appearing in horizontal order on the same horizontal baseline. The county number must be separated from the distinctive registration number by a separation mark unless a letter-number combination is used. The dimensions of the numerals and letters must be determined by the department, and all county and registration numbers must be of equal height.

(6) For the use of exempt motor vehicles, trailers, semitrailers, or pole trailers and motor vehicles, trailers, semitrailers, or pole trailers that are exempt from the registration fee as provided in 61-3-321, in addition to the markings provided in this section, standard license plates must bear the following distinctive markings:

(a) For motor vehicles, trailers, semitrailers, or pole trailers owned by the state, the department may designate the prefix number for the various state departments. All numbered plates issued to state departments must bear the words "State Owned", and a year number may not be indicated on the plates because these numbered plates are of a permanent nature and will be replaced by the department only when the physical condition of numbered plates requires it.

(b) For motor vehicles, trailers, semitrailers, or pole trailers that are owned by the counties, municipalities, and special districts, as defined in 18-8-202, organized under the laws of Montana and not operating for profit, and that are used and operated by officials and employees in the line of duty and for motor vehicles on loan from the United States government or the state of Montana to, or owned by, the civil air patrol and used and operated by officials and employees in the line of duty, there must be placed on the standard license plates assigned, in a position that the department may designate, the letter "X" or the word "EXEMPT". Distinctive registration numbers for plates assigned to motor vehicles, trailers, semitrailers, or pole trailers of each of the counties in the state and those of the municipalities and special districts that obtain plates within each county must begin with number one and be numbered consecutively. Because these standard license plates are of a permanent nature, they are subject to replacement by the department only when the physical condition of the license plates requires it and a year number may not be displayed on the plates.

(7) For the purpose of this chapter, the several counties of the state are assigned numbers as follows: Silver Bow, 1; Cascade, 2; Yellowstone, 3; Missoula, 4; Lewis and Clark, 5; Gallatin, 6; Flathead, 7; Fergus, 8; Powder River, 9; Carbon, 10; Phillips, 11; Hill, 12; Ravalli, 13; Custer, 14; Lake, 15; Dawson, 16; Roosevelt, 17; Beaverhead, 18; Chouteau, 19; Valley, 20; Toole, 21; Big Horn, 22; Musselshell, 23; Blaine, 24; Madison, 25; Pondera, 26; Richland, 27; Powell, 28; Rosebud, 29; Deer Lodge, 30; Teton, 31; Stillwater, 32; Treasure, 33; Sheridan, 34; Sanders, 35; Judith Basin, 36; Daniels, 37; Glacier, 38; Fallon, 39; Sweet Grass, 40; McCone, 41; Carter, 42; Broadwater, 43; Wheatland, 44; Prairie, 45; Granite, 46; Meagher, 47; Liberty, 48; Park, 49; Garfield, 50; Jefferson, 51; Wibaux, 52; Golden Valley, 53; Mineral, 54; Petroleum, 55; Lincoln, 56. Any new counties must be assigned numbers by the department as they are formed, beginning with the number 57.

(8) Each type of special license plate approved by the

legislature, except collegiate license plates authorized in 61-3-463 and generic specialty license plates authorized in 61-3-472 through 61-3-481, must be a separate series of plates, numbered as provided in subsection (5), except that the county number must be replaced by a design that distinguishes each separate plate series. Unless otherwise specifically stated in this section, the special plates are subject to the same rules and laws as govern the issuance of standard license plates, must be placed or mounted on a motor vehicle, trailer, semitrailer, or pole trailer owned by the person who is eligible to receive them, with the registration decal affixed to the rear license plate of the motor vehicle, trailer, semitrailer, or pole trailer, and must be removed upon sale or other disposition of the motor vehicle, trailer, semitrailer, or pole trailer.

(9) (a) A Montana resident who is eligible to receive a special parking permit under 49-4-301 may, upon written application on a form prescribed by the department, be issued a special license plate with a design or decal bearing a representation of a wheelchair as the symbol of a person with a disability.

(b) If the motor vehicle to which the license plate is attached is permanently registered, the owner of the motor vehicle shall provide, upon request of a person authorized to enforce special parking laws or ordinances in this or any state, evidence of continued eligibility to use the license plate in the form of a valid special parking permit issued to or renewed by the vehicle owner under 49-4-304 and 49-4-305.

(c) A person with a permanent condition, as provided in 49-4-301(2)(b), who has been issued a special license plate upon written application, as provided in this subsection (9), is not required to reapply upon reregistration of the motor vehicle.

(10) The provisions of this section do not apply to a motor vehicle, trailer, semitrailer, or pole trailer that is registered as part of a fleet, as defined in 61-3-712, and that is subject to the provisions of 61-3-711 through 61-3-733."
